WHY SPONSOR?

Did you know that more people have hearing loss than any other physical challenge? (National Center for Health Statistics) With your donation we can bridge the communication gap so the world may hear. Of funds collected, 70% will stay right here in North Alabama to benefit organizations like the Huntsville Hospital Foundation and the Pediatric Audiology Unit; while the remaining 30% will go towards the Starkey Hearing Foundation.

The Pediatric Audiology Unit at Huntsville Hospital is committed to early identification of hearing loss. Screening newborn babies for hearing loss and treating it early can make a huge difference in a child's development since hearing and learning language is so closely tied together. Funds from our event will be used for testing equipment, cochlear implants and temporary hearing aids.

consciousness of hearing and hearing matters through education and research while providing the gift of hearing to those in need around the world. Starkey provides more than 175 hearing aids annually in countries all over the world. Our funds will go towards the Delta Zeta national pledge to raise 5 million dollars in 5 years.

“*Blindness cuts us off from things, but deafness*

cuts us off from people.”

-Helen Keller

ONCE UPON A
